The Interchurch Center (TIC) Celebrating 60 years of Unifying our Community!

On Thursday, March 19th, starting at 9am, women leaders from the non-profit and faith-based sectors in Harlem will be recognized for their contributions. Invited to participate are New York Attorney General Letitia James, Manhattan Borough President Gale Brewer, Rev. Dr. Katharine Henderson of Auburn Theological Seminary, Rev. Dr. Serene Jones of Union Theological Seminary, and Ayo Roach, board member of the New York Women’s Foundation, which is a sponsor of the event.

The keynote will be delivered by Dr. Lakeesha Walrond, the first woman to lead The New York Theological Seminary in its 119-year history. A program of music will be provided by Rev. Pamela L. Ward, pastor and founder of Grace Alive Christian Fellowship.
