Next meeting agenda item:

In the upcoming months further discussions will include how to put together an attractive package of resources for film makers and producers that come in the Community. The package will include catering choices, artists that live in the area, location choices, contact numbers of owners and spaces.
The name of the project is called “Operation Shoot Harlem.” The goal is to make the production companies aware of the local resources available to them when producing movies in the CB-9 area.

Meeting adjourned 8:33 pm.
