a. George Bruce Library and CB9 Arts and Culture Partnership- Wilhelmina Grant's work is up for another 3 or 4 weeks. Artists talk is on \_\_\_\_\_. She has found a performing artist for the event. Eutha spoke to them, and they will purchase and install tracks to hang art.

b. 2016 CB9 Schools and Teaching Artists Expo (SATAE)/Meet & Greet- Great time to showcase what we are doing in the community. June 25<sup>th</sup>, @ SHCM, from 10am-4pm with DYCD, 5-8pm for Meet & Greet. 10am-12:30pm DYCD, DOE, and Mayor's Office (to vend with City) to do 45min-1hr presentations to both artists and providers (principals and superintendents) with time for in-depth Q&A. Sabrina will give Joyce an invitation letter to send to the CBO that does this kind of work. 12:30pm-1pm for Lunch. 1-3:30pm Pitch sessions of 8mins of programs to a room of schools split by PreK-ES/MS-HS. How will we outreach to this? Eutha helping to blast out to schools/artists. National Association for the Education of Young Children has a good registration form. Start with the Eventbrite registration page. We need a flyer to send electronic copies to principals/superintendents. It will have a link to the EventBrite. Experienced teaching artists vs. artists who want to learn to become teaching artists. Maybe a webinar to prepare for SATAE, or a "getting started" breakout room. There is a free New York City Blueprint for the Arts that breaks all of this down by grade (kind of activities, benchmarks, etc.). Do we have a "Curriculum Development" workshop running in a room? Sabrina is willing to do a webinar, then find someone doing a workshop. Webinar will be added to the Eventbrite. People need a draft curriculum. Flyer due by Friday 6th.

c. New York City Multicultural Festival- Hats.

d. Hamilton Grange Library and CB9 Arts and Culture Partnership- Marcela's work is now in the Hamilton Grange Library. There were spaces with no bookshelves where the artwork probably went. We need data on if there were any pieces that sold.

VI. **New Business:** None
