For a \$1.50 per month customers can enjoy unlimited access to all city-wide units. There is also a yearly plan for \$19.00 per year.

**West Harlem Small Business Association:**

The first meeting of the proposed Association for the Hamilton Heights Area was unsuccessful. A review and discussion of the possible reasons for this was held by the committee. It was agreed that the effort should continue and be scheduled for the Manhattanville area.

**Congratulations and Best Wishes** to our fantastic committee member ***Jessie Weinstein*** who has been accepted to several colleges.
