EW asked re Bd Space:

WS noted that the tenants at our old space don't want us back

There is a place on 127th for us to get it, the City would have to get appraisals then then architects would have to design interior

Ws asked for authority to negotiate a lease at 127th by a 8-1-2 vote, he was given it

LE directed him to contact the landlord so all can come to visit the space - EP will notify all

LE noted that the Gen Bd will pass on the lease

AFTThanks to WS

PJ wants on the record the conclusion on Asst Chair rights.

Assistant chairs do not count to a quorum or vote if the chair of the committee is there, if the chair is absent, they then substitute and have the chair's privileges.
