Nohemmy Aguirre

Andrea Duran

There was no guest speaker. We discussed upcoming plans concerning Lead poisoning in our district. We also talked about getting information about Asthma rates in the district and what programming is in place to address this.

Next month, presenters from the Department of Health will come to report on the Lead Poisoning issues.

We also spoke about getting information on our website and posting things on website. No one is really updating regularly. We also discussed spreading information surrounding November being Diabetes Awareness month and December being world AIDS month.

Public Member Duran agreed to ask people at the Mailman School to assist on childhood obesity. We are awaiting her information. Arnold Boatner is liason to Boro Presidents office for the Emergency Preparedness form.

ADJOURNED 7:32 pm.
