Carol Singleton a Community Board 9 member was one of the participants in the Senior Summer Employment Program, and was employed as a site manager. Her duties were to do site visits, get feedback from 45 sites - employers, managers and supervisors of the senior participants. She stated that employers and managers are thrilled about having seniors and looking forward to having the seniors to participate again in 2015. The program enhanced the seniors self-esteem and encouraged them taught them skills and made them to want more for themselves.

There were questions on how come representatives of New York Housing Authority Developments Manhattanville and Grant Houses are not part of the Board of Directors at West Harlem Development Corporation. According to the CBA there is funding for both NYCHA developments and WHDC will meet with Presidents of both public developments.

Suggestions:
- Shirley Saxton advised seniors to reach out to Community Board No. 9 if they have issues and CB9 will contact her to see if she can be able to resolve the matter. She also advised seniors to contact their Congress Member regarding issues they face with Social Security Administration.
- On Thursday, October 9th, Council Member Mark Levine will hold a Budget Participatory at the George Bruce Library, 518 West 125th Street at 6:30 p.m. All are encouraged to attend and spread the word.
