

Volunteer Clean-up Program

nyc.gov/dsny |    NYCsanitation

sanitation

New Yorkers interested in creating a clean-up project in their neighborhood can borrow cleaning supplies and tools from DSNY. Three weeks before the event, prepare a project plan that includes:

- Desired event location;
- Work to be performed;
- Number of volunteers;
- Items to be cleaned;
- Cleaning tools needed;
- Rain date; and
- Volunteer management plan.

Once your plan is complete, call us at **(212) 291-1220**. Also, share your pictures and videos from your clean-up day! Email them to **customerservice@dsny.nyc.gov**.
