

## Stand Up For Seniors Now - Support A Mansion Tax

- Hundreds of thousands of seniors live on fixed incomes and the rapid rise in rents has threatened their ability to stay in their homes and neighborhoods
- More than half of New York City seniors spend more on housing than they can afford
- 100,000 seniors have waited for seven years or more on an affordable housing waitlist

### **TELL ALBANY TO PASS THE MANSION TAX NOW**

- A "mansion tax" on home purchases above \$2 million would garner \$336 million, dedicated solely to helping seniors afford to stay in NYC

**Help 25,000 low-income seniors stay in their homes with new rental vouchers for up to \$1,300 a month**
