Application form at cretf.org/youth-leadership

— Deadline: September 30, 2022

Open to New York students in grades 9-12

BENEFITS OF PARTICIPATION

- Take concrete action to expand access to climate education in New York's schools
- Work on a state-level climate education policy campaign
- Help to build a network of youth dedicated to climate justice education across New York
- Gain access to educators, NGOs, policymakers and experts in the field of climate education and advocacy through the CRETF
- Help amplify climate education through communications campaigns
- Eligible for community service hours

The Climate and Resilience Education Task Force is convened by WE ACT for Environmental Justice and the National Wildlife Federation and is supported by grants from NOAA, FEMA and Con Edison. The Task Force is committed to racial, social, economic and environmental justice, and prioritizes youth and frontline communities as it strives to achieve its goals. www.cretf.org
