

**NYC VACCINE FOR ALL:
SAFE, FREE, EASY**

COVID-19 Vaccine Train the Trainer Sessions

Thank you for your critical services to New Yorkers and continued support engaging communities around COVID-19 vaccines.

The NYC Health Department invites you to participate in a **COVID-19 Vaccine Train-the-Trainer** session for partners supporting community members to get vaccinated.

We welcome community- and faith-based organizations and other partners providing health education and navigation to communities most impacted by COVID-19.

We will host weekly hour-long sessions with a presentation and question and answer period. These sessions will:

- Guide participants through tools and trusted reference sites for vaccine information
- Respond to questions about when, where and how to get vaccinated

STANDING WEEKLY TRAINING SESSIONS ARE AS FOLLOWS:

Tuesdays 11 a.m. to noon

Thursdays 3:30 p.m. to 4:30 p.m.

Register for upcoming sessions [here](#).

Thank you for partnering with us in helping communities understand and access COVID-19 vaccines. Please contact engagepartners@health.nyc.gov with any questions.
