Dear Ms. Levine,

Due to time constraints, Manhattan Community Board No. 9's Executive Committee, acting on behalf of the full board approved the following **Letter of Support re: The Cannabis Corner education module as well as the other community education and engagement activities (i.e., monthly expungement clinics).**

As a longtime partner of the Harlem Health Initiative (HHI) at the CUNY Graduate School of Public Health & Health Policy (CUNY SPH), Manhattan Community Board No. 9 is writing to demonstrate its support for the continuation and expansion of their work to achieve and promote cannabis equity. Deborah Levine and her team have established collaborations with Manhattan Community Board No. 9 (MCB9) to create better access to data, resources, and educational materials around a variety of public health issues. They have always been a responsive partner and have prioritized community concerns and key issues identified by our Board.
