Monique- recap Sean event, history of cannabis and NY goal social equity from social workers perspective provide support and council for substance abuse
social equity- 87% were black and brown we need to flip the strip

- we met with CB4 & 5 want to issued letter in June / we should work together CB9,
they need connection to MBP office on illegal shops what to do

Tiffany: last week a town hall in Clinton hall
was made aware of this issue Mayor during a collective piece building sheriff,
buildings a taskforce will go our checking all these places. something is coming down
the pipeline

PD can't go into a establishment without a warrant sherif office can— every agency
can do something different, Buildings can shut them down for illegal activities - clause
in
